

How to get to the **WILD FOOD FEAST** at Camp Rangī Woods:

Camp Rangī Woods is on Churchill Drive, inside the Totara Reserve 'Kereru' camping area

Directions from Ashhurst (25.6km and roughly a 25 minute drive):

1. Drive through Ashhurst and head north on **Pohangina Road** (follow the green Totara Reserve signs from the northern side of Ashhurst)
2. Just past the Waterford Cafe (about 10km from Ashhurst), turn right onto **Pohangina Valley East Road**.
3. Follow this road and enter Totara Reserve Regional Park (you're now about 18.5km from Ashhurst).
4. Keep driving a further 5.5km or so until you come to a sweeping left-hand bend with Highland Home Christian Camp on the right. Turn left into **Churchill Drive/Road** and follow it down as it drops towards the river level for about 1km.
5. The entranceway to the main Totara Reserve "Kereru" camping area (and Camp Rangī Woods) will be on your left, just before you reach the bridge over the Pohangina River. There will be a Wild Food Feast sign on the entrance gate!
6. Leave the sealed road and continue on the camp gravel road for about 300m. The grass parking area will be marked on your right and Camp Rangī will be on your left.
7. Park your car and walk up to the Camp building where you'll find a warm welcome!

NB: No cellphone reception at Camp Rangī (and for the last half of the journey). It could be a little damp underfoot at this time of year and it would pay to bring a torch for home-time!
