Well done Carter!!!

Wharite Splash Planet trip and sleepover

A huge well done and thank you to Toni for her great planning and organisation for this trip! The kids had a blast at Splash Planet. They slept well that night too! Also, a big thank you to the parents who drove and helped out on this trip also.

UPCOMING EVENTS

Working Bees!

We would like to have a couple of Working Bees over the summer break. One being an inside Working Bee on Friday 21st December and an outside Working Bee early in the new year. If you are able to help please let us know, even just for an hour. We would really appreciate any help we can get. We will be in touch with a date for the outside bee.

Last Day of 2018

The last day of school for
Term 4 is **Wednesday 19th
December**. School is
scheduled to close at **2pm**
that day.

School Pool

Pool keys are now available at the school office for the summer season. Please pop in and grab one before the end of the term (Wednesday 19th) or pick one up in Term 1, 2019. Key's will be issued once payment is received via cash or verified bank deposit into our new ASB account. If you require our new bank details please contact us.

\$40 for community members

\$30 for families with pupil's at Awahou School

The pool comes at significant cost to the school with maintenance chemicals and such, so the annual fee for the keys goes some way to recouping this. If you do see anyone in the pool that does not have a key we would appreciate this information being passed on and thank you to those who already have.

Happy swimming!

Library Books
*Please return
them by the end
of this week.*

Uniform Amnesty

If you have any spare Awahou School uniforms floating around can you please send them back into school? We are planning a sort, tidy and mend session.

A massive thank you to the **Friends of Awahou** for all their hard work and dedication to raising funds for the school!

A special thanks to Kim Marcus, who has led this unit for the past 6 years! Thanks Kim!

NEXT WEEK
