Playground Working Bee

A massive thanks to everyone who has helped to transform our school playground! A final working be was held on Sunday to complete the final touches. It is such a great feeling to have the support and help from parents offering a range of skill sets, resources and just plain old manual labour. The playground is something that is not funded by the Ministry of Education to maintain and often costs a lot of money to keep up to date with wear and tear. A special thanks to Braydon for donating his time and mini-digger to help out last weekend! Check out Braydon's Facebook page - Pohangina Valley Mini Digger Hire.

Spanish Lessons

Spanish lessons began on Friday last week for a small group of students who opted in. Here is some feedback written by Mary Hawkins and Madalyn Geange...

'On Friday we did Spanish lessons. It was fun. We learned how to say number one. It was fun. We also did number two.'

Ukulele Lessons

Ukulele lessons began last Wednesday. Each group will receive 6 lessons. Can't wait to see an Awahou Ukulele Orchestra Performance!

Food for Civil Defence Emergencies

With winter just around the corner we would like to prepare for any Civil Defence emergencies or situations where the children may be stuck at school longer than expected. If you could send along a can of food for us to store in case this occurs it would be much appreciated. Thanks in advance for your support with this.

BOT Elections

Nominations are invited for 5 parent representatives for the Awahou School Board of Trustees. A nomination form calling for nominations has been sent to all eligible voters. Additional nomination forms can be obtained from the school office. Nominations close at noon on 24th May 2019.
