## Kind Hearts Regional Day!

Maharashtra students had an awesome time at the Kind Hearts Regional Day today. The Kind Hearts Trust was established in the Manawatu with a vision for a kinder world. Their core value is unconditional kindness and their purpose is to empower individuals and groups to strengthen communities through unconditional kindness. The Kind Hearts Trust believe in the transformational power of kindness. We have kindness cards at school for students to spread messages of kindness to each other. Sharing kindness empowers, inspires, and makes a positive difference. A great day for a great cause! Maharashtra students represented Awahou School with pride at this wonderful event. Well done to all who attended.

## Students' Work

A beautiful piece of writing from Temperance Ekdahl...

### Dad and I

One day, me and Dad decided to go for a walk along an old railway track. As we were walking through the tunnel I was amazed. The tunnel had been abandoned for so many years that it was covered in bright green leaves and wildly coloured flowers. As we were getting close to the end of the tunnel I was suddenly blinded by a bright light at the end of it. When I opened my eyes again, I saw the most beautiful thing I had ever seen in my life. I could smell the fresh green grass, and the bright manuka trees. There were many hills covered in tiny pink flowers. When we walked back home I could still smell the fresh grass.
