

Awahou School

Ngā kaitiaki o tō tātou wāhi - Guardians of our place

Monday 3rd February 2020, Term 1 - Week 1

WELCOME TO SCHOOL

We hope everyone had a great summer holiday! We are all very excited to get the 2020 school year started. We welcomed four new students this week and one new teacher! Welcome to Aliyana, Aria, Kael and Liam who started in Wharite. Also a big welcome to our new Maharahara teacher, Liam.

Whānau Fun Night

Please come along to our annual Family Fun Night from 5pm to 7pm on Wednesday 12th February. We will have an 'Obstacle Course' for the kids. Bring along a picnic dinner, togs & towels for a fun evening. We will provide a free sausage sizzle.

Swimming

We will be swimming daily for the first half of this term. Please send along togs and towel each day.

The School Day

9am: School begins

10:30-11am: Morning tea

1-1:45pm: Lunch

3pm: School finishes

Goal Setting Meetings & Reports

We will be changing to a new online Student Management System this year. The new system will allow parents access to their child/ren's progress and achievement in real time. It also allows the students themselves to set goals, upload work to provide evidence of their progress and monitor their own achievements in an easy to use format. Teachers work collaboratively with their students to set appropriate goals and to identify when certain goals have been achieved. We hope to have this up and running for the Term 1 Goal Setting meetings in Week 5

After School Care

To keep up with the costs of running our After School Care programme we have increased our prices. Please find the information attached. We'd like to thank you for your continued support with this.
